

## **FACULTY OF SCIENCE DIVISIONAL COUNCIL**

### **FACULTY DIVISIONAL COUNCIL**

Divisional Council membership consists of:

- All full-time faculty members from the Faculty of Science
- CAS Members elected by the CAS Members in each Science department (one member from each department with fewer than 10 FT faculty; two members from each department with 10 or more FT faculty)
- Three undergraduate students from each department with fewer than 16 full-time faculty members, and 4 students from those with 16 or more full-time faculty.
- One graduate student (as appropriate) from each department with fewer than 16 full-time faculty members, and 2 from those with 16 or more full-time faculty.
- \*The Chair of Geography and Environmental Studies (or designate) as a non-voting member.
- The University Registrar and University Librarian (or designates) as non-voting members

**Quorum:** 25 members, where 15 members must be full-time faculty members

\*Proposed amendment to add a representative from Geography and Environmental Studies as of April 24, 2015

#### **Mandate:**

The Faculty of Science Divisional Council receives and approves reports from standing committees and working groups, acts in an advisory capacity to the Dean of Science on a variety of matters and deals with academic issues as they affect the Faculty of Science.

#### **Quorum:**

- 25 members, where 15 members must be full-time faculty members

*Approved by Senate on June 25, 2002*

*Revisions approved by Senate on November 11, 2009*
